### Product Description

## Husqvarna 580BTS Mark II Blower

For blowing performance that exceeds all expectations, count on Husqvarna's 580BTS II backpack blower. The 580BTS II is Husqvarna's most powerful backpack blower. Featuring best-in-class fuel capacity\*, the blower helps you keep your professional productivity at its peak. Powered by Husqvarna's innovative X-Torq® engine technology, you'll enjoy more fuel savings and fewer emissions. Toolless handle adjustment and air filter access ensure easy servicing in the field. The hip/belt strap offers better weight distribution during long periods of use. When you need the best in the business, get a Husqvarna 580BTS II backpack blower. (\*Based on fuel tank volume (fl oz). Class defined as pro-grade petrol backpack blowers with engine displacement in the 75cc to 80cc range.)
