Product Description

Husqvarna 4 Gallon Backpack Sprayer

Keep any property healthy and vibrant with a Husqvarna backpack sprayer. Ready to meet the spraying needs of any commercial or residential application, this premium backpack sprayer can be used for turf, garden and hardscape maintenance. Designed with a deluxe comfort harness so you can work for longer and features an internal no-leak pump design to prevent spills. Can be used with wettable powders and liquids for all applications. An easy-access pump allows for changing seals in just minutes with no tools. The pump handle can be stored vertically or horizontally. Capable of 150 max PSI with a 25 PSI pressure regulator that delivers constant pressure as you apply liquids and chemicals. Features a professional shut-off valve, 50-in reinforced PVC hose with a strain relief nut to prevent kinking, and 25-in stainless steel wand with poly liner. Includes a 3 nozzle kit.
